# HATE CRIME AWARENESS WORKSHOP INFORMATION PACK

This workshop is available either at one of your training facilities or places where you and your group will feel most comfortable, confident and relaxed.

## WHO SHOULD PARTICIPATE:

Political and community leaders including Parliament and council elected members, community representatives.

Government and community relation officers.

Service providers in areas including policing, housing, health, social support and community safety.

NGO staff, including youth workers, community development officers and race relation officers.

Members of the wider society

## WHAT IS COVERED:

Gain an increased understanding of hate crime, racism and it's effects.

Look at hate crime and racism nationally and what this means for your area/constituency.

A better understanding of the challenges faced by communities affected by hate crime and racism.

Practical tools to reduce hate crime and encourage positive good relations through race equality.

Further develop skills to help you support people from minority ethnic communities and the indigenous community.

The logo for CRAICNI is a black circle containing the text 'CRAICNI' in white, with the 'NI' part in yellow.

**CRAICNI**

The logo for UNITE AGAINST HATE features a white circle with a blue silhouette of a person's head in profile. The text 'UNITE AGAINST HATE' is written in blue capital letters to the left of the silhouette.

**UNITE  
AGAINST  
HATE**

This half day interactive workshop will assist participants to gain a better understanding of hate crime and its effects on victims, families, communities and the wider society in Northern Ireland; help to develop skills to support people facing different forms of hate crime; and look at examples of good practice and effective prevention and intervention programmes.

**CRAIC NI** training facilitators, including representatives from various ethnic minority communities based in Northern Ireland, have an extensive experience of delivering a range of programmes to participants from public, private and community sectors in Northern Ireland and beyond

We believe in respect for and positive appreciation of difference and diversity. This is vital for the health and well being of civic society.

**Our aim is to support you in building cohesive communities**

**CRAIC NI** team together, have over 45 years of experience working with the Black Minority and Ethnic sector and with the indigenous communities, which means we have built a number of solid relationships across communities and developed a strong portfolio of knowledge about the needs of minority ethnic communities, diversity and community relations.

**CRAIC NI** offers the following services:

- Providing advice and support in relation to race, ethnicity and equality issues
- Fostering cultural learning about ethnic communities
- Leading workshops on topics such as hate crime and responding to racism
- Managing cross community events
- Supporting integration and community relations

**CRAIC NI** training programmes:

- Hate Crime awareness workshop
- Full cultural awareness training on Black, Minority Ethnic communities
- Cross cultural awareness – intercultural communication training
- Myth busting session focusing on myths and stereotypes about migrants population
